When it becomes suspected or apparent that there is an illness or disease caused by the contamination of food served on campus, EHS/RMS (786-1351 or ayssg@uaa.alaska.edu) should be notified immediately. Following notification an investigation will be conducted and a report issued. In turn, the sanitarian will notify the Municipality of Anchorage’s sanitarians.

Questions concerning this procedure should be directed EHS/RMS 9786-1351 or ayssg@uaa.alaska.edu).
