Special Requirements: _____

NOTICE: Set-up may begin after the application and plans are approved. A fire inspection of the premises shall be conducted after set-up. The inspection is to insure compliance with the Uniform Fire Code and the provisions of this permit. Deficiencies shall be corrected prior to opening to the public. Failure to make required corrections prior to opening may result in revocation of this permit, citation and possible closure of the event.

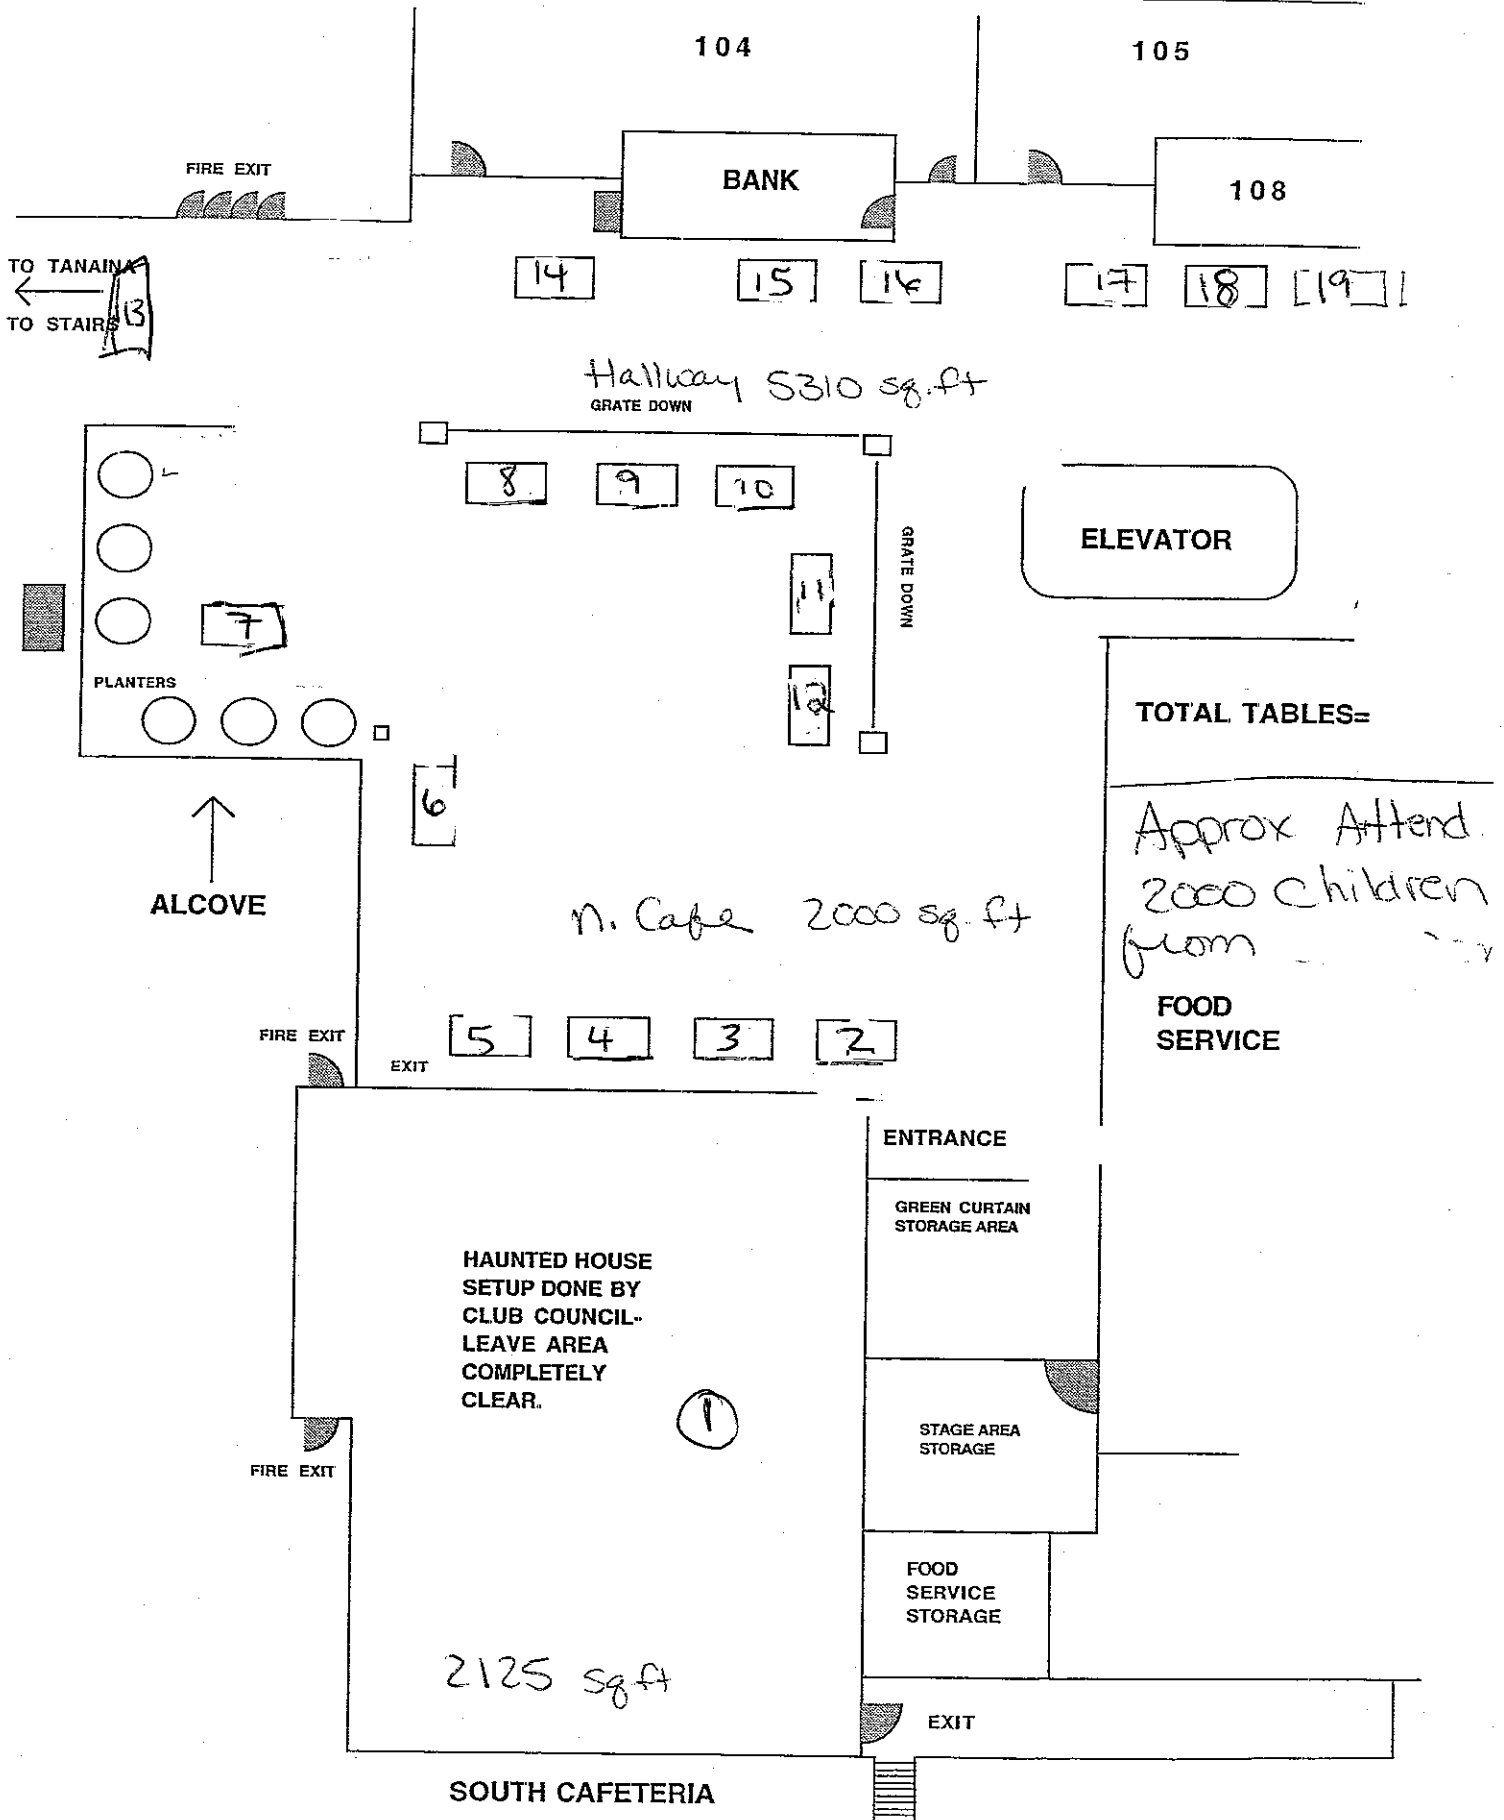

I have received a copy of the requirements pertinent to this permit and agree to abide by them. I further understand that the violation of these requirements shall result in the revocation of this permit.
