JOIN UAA’s POST DISASTER ASSESSMENT TEAM (PDAT)

PDAT training for potential members of the UAA team will occur on October 5 – 6, 2004 at the BP Energy Center in Anchorage from 8:30 AM to 4:30 PM on each day. If you are interested in joining the team and receiving this training, please print and complete the form located on the next page. Only that completed form sent to Trig by September 24, 2004 will be acceptable to arrange registration and payment by UAA Environmental Health & Safety. The completed forms can be sent by intercampus mail (ULB110P) or faxed to 786-1370.

For team members’ certifications that have expired (four years after last training date), complete the same registration form and write “RENEWAL” on the top of the form. Individuals wishing to renew their certifications will only need to attend the practical workshop on October 6, 2004 from 8:30 AM through 4:30 PM. The most current roster of UAA PDAT members and their certification status is located at http://ehsrms.uaa.alaska.edu/PDATRoster.htm.

If you have any questions, please contact Trig at 786-1351 or trig@uaa.alaska.edu. For more information on UAA’s PDAT, go to http://ehsrms.uaa.alaska.edu/PDATHomepage.htm.
Post-Disaster Damage Assessment  
UAA Course Registration Form

Course Date: October 5 – 6, 2004  
Course Times: 8:30 AM to 4:30 PM  
8:30 AM to 4:30 PM

Course Location: BP Energy Center, Anchorage

Cost: All fees will be paid by UAA Environmental Health & Safety if this form is submitted to Trig Trigiano by September 24, 2004. Otherwise there is a $75 charge per student. This offer is for University of Alaska employees only.

Agenda: Day-1, classroom work covering safety, geotechnical evaluation, structural evaluation, nonstructural evaluation, hazardous materials, building evaluation techniques, and building posting. Day-2, field exercise where participants evaluate 3 to 4 structures mocked-up with earthquake damage.

Registration Information:  
Please Print Your Name, as you want it to appear on your certificate of completion.
